Fitness Together

COMPANY OVERVIEW: Established in 1996 in response to the growing demand for personal fitness training, **Fitness Together** offers the latest in one-on-one personal training. Fitness Together is part of **Fitness Together Holdings, Inc.**, the world's largest wellness organization. Fitness Together, founded by fitness leader Rick Sikorski, is built on three main foundations: strong corporate support, proven operating systems, and excellent leaders. There are now 400 Fitness Together franchise locations throughout the United States, Costa Rica, Israel, Ireland, and Canada and another 108 scheduled to open. Fitness Together Franchise Corp. also includes Elements Therapeutic Massage. For additional information, log onto www.fitnessstogether.com.

RAPID GROWTH: *"We've had a tremendous year, and our brands continue to grow," said Rick Sikorski, president and CEO of Fitness Together. "Our franchisees have set the bar in offering superior services in both fitness training and massage therapy to hundreds of thousands of clients. It has positioned us for an even bigger future ahead, and our goal of opening 1,000 studios by 2012 is well within our reach."*

400+ franchised fitness studios provide a means for FT owners to control their destiny and reap the rewards of business ownership.
